

# Israel is Committing War Crimes, Genocide, and Crimes Against Humanity in Lebanon

Photo taken in Lebanon on Sunday 16 July 2006

The Prime Minister of Canada has supported Israel's "right to defend itself" and characterized its brutal response to the kidnappings of two soldiers as "measured."

**Will the Prime Minister please explain this to the Canadian civilians  
massacred on July 16, 2006 by Israel's war machine?**

**Mr. Harper: if this was your child, what would you do?**

**TO:**

Rt. Hon. Stephen Harper  
Prime Minister of Canada  
House of Commons  
Ottawa, Ontario, K1A 0A6
